16TH YEAR. NO. 216.

EAST LIVERPOOL, O., THURSDAY, FEBRUARY 21, 1901.

TWO CENTS

EXPENSES ARE MUCH TO HIGH

The Committee Appointed To Go Over the Commissioners Report Make

A FEW GOOD SUGGESTIONS

They Go After the Infirmary Directors and Order One Office Abolished.

ITEMIZED BILLS ARE WANTED

Lisbon, Feb. 21.—(Special.)—A committee appointed several weeks ago to examine the report of the county commissioners has filed their report with Auditor Adams, and the finding of the committee has caused somewhat of a sensation in official circles.

In past years these committees have recommended economy and advocated the cutting of county expenses, but the committee this year feel confident that they have taken measures to insure that the same will be done. The order for future economy applies both to the county commissioners and infirmary directors.

It first came to the notice that the latter maintained an office in the Syndicate building in Lisbon, the rent for which has been paid by the county without authority of law. The statutes provide that an office for the infirmary directors shall be maintained at the infirmary building, where they shall meet once a month to transact any business that may come before them. The committee recommended that this office in Lisbon be abolished, and notified Auditor Adams not to pay the rent since November. For several years past all grocery supplies for the infirmary have been purchased from wholesale firms and the county has paid the bills as presented. In the future these bills as they come in must be accompanied by an itemized account of the order, which will be submitted to Superintendent Riddle, of the infirmary, and he must check off the articles he received.

The committee also concluded that the infirmary directors devoted too many days in the year looking after the poor of the county, which is distinctly the duty of township trustees. The statutes state that the latter shall look after the needs of the poor in their respective townships and make out a proper commitment for those desiring admission to the infirmary.

In the future when supplies heretofore purchased by the janitor are to be furnished at the court house, an itemized order must be left at the office of the county commissioners, and they will make the purchases.

The committee who filed the report were Paul Huxley, of Salem; Attorney Conrad Hume, of Lisbon, and Prosecuting Attorney J. H. Brookes, of this city.

GEORGE KEESEY

Was Permitted to Plead Guilty to Insulting Females And Was Fined \$5 And Costs.

When the time arrived for resuming the trial of George Keesey on a charge of assault with intent to rape yesterday afternoon, the authorities had made up their minds that there was not enough evidence to hold him on that charge, and he was permitted

to plead guilty to a charge brought under the city ordinance.

This law provides for a fine of not more than \$20 or imprisonment for the offense of insulting females and using obscene language.

Mayor Davidson imposed a fine of \$5 and costs, and Keesey stands committed to the Canton workhouse until fine and costs are paid.

JOHN MALEY

DIED ON HIS WAY HOME FROM THE PHILIPPINES.

He Was a Member of Battery B, First United States Artillery And Had Reached California.

Relatives in this city received word yesterday that John Maley, who has been attached to Battery B, of the First United States artillery in the Philippines, had died in Presado, Cal., while on his way to this city.

The young man, who is but 22 years of age, became ill some time ago, but felt strong enough to stand the trip, and after procuring a furlough commenced the journey. He got as far as California, where he became much worse, and his death occurred on Tuesday.

Arrangements were at once made to have the remains brought here, and they are expected to arrive next week.

Deceased had a brother in the same command, and when last heard from he was in ill health. The family of the young artilleryman, who reside in Salineville, have made no arrangements for the funeral, but as soon as the body arrives this will be attended to.

PLEASANT HOME WEDDING.

Allen Crafts Morse and Miss Edith Frances McCord Were Married Last Night.

The wedding event in which Miss Edith Frances, daughter of Mr. and Mrs. William B. McCord, of Thompson Place, was united to Mr. Allen Crafts Morse, of Cleveland, occurred Wednesday evening at 8:30. The ceremony was performed by the Rev. Charles G. Jordan, of the First Presbyterian church, the Episcopal service being used. Only near friends of the two families, beside the "Bachelor Girls' club," of which the bride was a member, about 50 persons all told, were present as guests.

The bride was gowned in pointe d'esprit, over white silk, and carried a bouquet of lilies of the valley. Miss Nell V. Geisse, cousin of the bride, was bridesmaid. She wore white organdie. Mr. Frank Morse, brother of the groom, acted as best man. The bride was given away by her father. Little Joe and Edwin Wells, cousins of the bride, led the bridal party to the altar. Miss Bess Adams played Lohengrin's wedding march.

The large parlors were decorated with palms and other tropical plants. The tables were trimmed with pink carnations and smilax, except the table at which the bridal party was seated, which had for floral decoration white roses.

After the bridal supper and renewed congratulations, Mr. and Mrs. Morse left for Cleveland by the midnight train. They will make their permanent home in Cleveland, although about March 1st they will go to Findley, where Mr. Morse will be engaged for some months in superintending the construction of a plant for the United States Telephone company, with which company he is prominently identified.

The bride is a graduate of the East Liverpool high school, and has been engaged for three years past in newspaper work.

SPRING ELECTION IN HOOKSTOWN, PA.

There Was Much Excitement In the Village on Tuesday and the People Are

STILL TALKING ABOUT IT

It Will Be the Topic of Conversation For Many Weeks to Come.

D. D. PUGH WAS A WINNER

The village of Hookstown, Pa., just passed through an election, but the community has not yet resumed its usual serenity and the result of the election is still the chief topic for conversation, and will be for some time.

The Democrats met on January 26 and nominated their ticket as follows:

Burgess—Harry Moore.
Council—James P. Brown, Walter A. Randall, J. W. Anderson.
School Director—Robert M. Bryan.

Henry S. Nickle.
Assessor—W. L. Reed.
Judge of election—J. R. Thompson.
Inspector—C. P. Gregory.
Auditor—J. R. Thompson.

A few evenings later the Republicans met and nominated the following:

Burgess—Harry Moore.
Council—Walter Randall, J. P. Brown, J. W. Anderson.

To the Public.

All persons owing money to the News Review will please make payment at once. All persons to whom the News Review is indebted will present bills at once and receive payment for all legitimate claims.

HARRY PALMER,
Owner and Manager

Assessor—Wm. L. Reed.
Judge—Louis A. Mills.
Inspector—W. A. Randall.
Auditor—Harry Moore.

It will be noticed the Republicans endorsed a portion of the Democratic ticket, and when election day rolled around the Democrats managed to elect C. G. Gregory for inspector and J. R. Thompson for auditor.

Everybody is satisfied, but out in Green township the fight for assessor will go down in history. For the past four years D. D. Pugh, Republican, and James Hanley, Democrat, have been opponents and each time Pugh has won. Pugh represented the Quay faction and Hanley was the choice of the Democrats and Republican insurgents. Hanley and his friends determined to win out and thought they saw sure victory. The district school master dismissed school and labored all day, while all the voters in the township were buttonholed. The Quayites were equally as determined that their man should win. From early morn until the time the polls closed the battle raged, and it was with eager expectancy the parties waited for the result.

As is usual in all country precincts it took some time for the judges and clerks of election to get started, and they were as much interested as any person else. Hanley started out like a winner, but the Pugh votes had gone in first, and when the total was reach-

ed it was found that the Quay man was just eight votes ahead.

The news wasn't telegraphed all over the country, but there was just as much joy among the Quayites of that township as when Senator Matthew Stanley Quay scored his signal victory over the insurgents at Harrisburg.

TRADES' COUNCIL

HELD A VERY INTERESTING SESSION LAST EVENING.

The Council Adopted a Resolution Protesting Against the Grout Bill.

Trades Council met in regular session last evening, the meeting being called to order by Vice President Orr. President McLane came in later and the business was proceeded with.

The credential committee reported favorably upon the following new delegates, and they were elected and received the obligation:

Hodcarriers union No. 8803, Henry Stewart, D. S. Smith, William W. Downing, Vernon Calloway, Thomas Capital.

The delegates from the retail clerks' union reported that within the next few days the cards issued by their organization indicating the union stores would be out, and all establishments employing union clerks throughout would be provided.

The delegates from Pressmen's union No. 64 reported that this would be the last meeting they would be there as delegates from that organization, as they had formed a local branch and would elect new delegates.

A report was made by the committee appointed at the last meeting to draft resolutions in support of the stand taken by the local grocers' association with reference to the tax on oleomargarine and other artificial butters. The resolution is as follows:

Whereas, The "oleomargarine bill," or "Grout bill," recently passed by the house, and now before the United States senate, by which the tax on oleomargarine containing artificial coloring matter, is increased from two cents to 10 cents per pound, is an unwarranted abuse of the taxing power of congress; and, if enacted into law will lay an unjust burden on the laboring classes of the country, who are by reason of their condition and the insufficiency of the supply of butter, the greatest consumers of the product commonly known as "oleomargarine;" therefore, be it

Resolved, By the Trades and Labor Council, of the City of East Liverpool, Ohio, representing organized labor of the said city, that we are unalterably opposed to the passage of the said "Grout bill," as we believe the purpose of said legislation to be in the interests alone of the trust manufacturing what is commonly known as creamery butter; and, further,

Resolved, That a copy of these resolutions be forwarded to the congressman from the district, Hon. R. W. Tayler; and the senators from this state, Hon. J. B. Foraker and Hon. M. A. Hanna.

C. J. McHUGH,
HENRY SCHREIBER,
C. W. BROWNFIELD,
Committee.

The report of the committee was received and the secretary instructed to forward a copy to the Ohio senators and Hon. R. W. Tayler, with the request that they act accordingly.

It was decided at the meeting last night that a committee should be appointed to revise the by-laws, and Messrs. John Reark, J. H. Litmer, G. C. Gaston, William Usler and LeRoy Orr will attend to the matter. They are expected to report back to the organization at the next meeting.

TOO MUCH WATER CAUSED DAMAGE

Water Pipe In the Third Floor of the Wells' Building Burst Last Night

POSTOFFICE WAS DRENCHED

Three Thousand Postal Cards and Several Thousand Stamped Envelopes Suffered

CANCELING MACHINE DAMAGED

The United States government is out several hundred dollars by the bursting of a water pipe in the third floor of the Wells block last night.

This morning when the employees of the postoffice arrived they found several inches of water on the floor and water was dripping from the ceiling. An investigation was made and the break was found on the third floor in a lodge room. The water was shut off as soon as possible and then the employees began to foot up the losses.

It was soon learned that 3,000 postal cards had been thoroughly soaked, while several thousand stamped envelopes had shared the same fate. The envelopes will all have to be replaced, but some of the postal cards may be fit to be used.

The canceling machine was also damaged by the water, but it can be repaired and placed in good working order.

of Common Pleas For
Grand Larceny.

COUNTY JAIL NOT EMPTY NOW

Chief Thompson and Officer Dawson
this morning took William, Mose and
Andrew Call and Sam Dawson to Lis-
bon, where they will be sentenced by
the probate court. Mose and Will-
iam Call will be held for the grand
jury on the charge of stealing flour,
in addition to the other offense.

Sam Dawson was not implicated in
the latter theft, and it is likely he will
have no difficulty in paying his fine.

An uncle living in Pennsylvania
was in the city this week and signi-
fied his willingness to take Sam home
with him, where he will be surrounded
by better and more pleasant influ-
ences. In all probability the uncle
will arrange for the boy's release.

William Call, who was released
from the Mansfield reformatory a lit-
tle more than a year ago, is evidently
destined to turn out badly. While his
parole lasted William worked steadily,
as Inspector Sotzen was keeping a
close watch upon his conduct, and he
would have been sent back at once
had he not lived up to the terms of the
parol. His time was up about three
weeks ago, and since that time he has
not worked a day. It is a case of Satan
and the idle hands, but in all proba-
bility he will be provided with plenty
of employment now for a long time
to come, as he will undoubtedly go to
the penitentiary.

In the case of Mose it is different.
It is thought his older brother ex-
erted a very bad influence over him,
and it is hardly likely the penalty in
his case will be very severe.

OHIO MEMBERS

Seeking to Remove from the Records
Charges of Desertion Against
Worthy Men.

Francis Gessner, Washington corres-
pondent of the Ohio State Journal,
says:

All the Ohio members are loaded
down with bills seeking to remove the
charge of desertion from the army re-
cords of worthy men. It has of late been
useless to urge the passage of such
bills for the reason that Senate Bate,
of Tennessee, who has charge of all
Ohio pension bills, will not make a
favorable report on any bill affecting
desertion. As Bate was a confederate
general, some of our Ohio soldiers do
not relish the idea of having him pass
on measures affecting men who fought
to save the union that Bate sought
to destroy. There are several deserv-
ing cases where men are put down as
deserters who had no idea of desert-
ing and who had fought for years. One
case comes from Columbus, and in
this instance the soldier wanted to go
home at the close of the war to see a
dying mother. The regiment had not
yet been mustered out, but the captain
told the man to go ahead and that the
record would be kept straight. Rely-
ing on this promise, the soldier did
go, only to find out afterwards that he
was branded as a deserter. All these
long years he has been working to
have the record cleared up and to get
an honorable discharge, to which he is
entitled. It does seem hard that a man
should fight four years and do his
duty and then because an officer was

careless or forgetful that the veteran
should go to his grave with a term of
reproach set opposite his name in the
archives of the government.

HOCKEY PLAYING

On the Streets Must be Stopped, and
the Mayor Has Issued His
Orders.

The reaction has set in at police
court, and last night and today were
very quiet, not an arrest being made.

The mayor took occasion to say this
morning, however, that things would
be very lively around there shortly if
the latest order issued to the small
boys was not observed. Within the
past few weeks numerous complaints
have been made from different quar-
ters concerning the danger to win-
dows and possible injury to persons
from the playing of hockey upon the
streets.

The mayor has determined to put a
stop to the practice, and the players
will be warned but once.

SALOONS IN OHIO.

There Are Just 10,348 Rum Shops Do-
ing Business in the State
of Ohio.

Figures compiled at the state audi-
tor's office show that the entire re-
ceipts from the Dow tax in Ohio for
the six months ending January 1,
1901, amount to \$1,864,641 72, distrib-
uted as follows:

General revenue fund, \$559,574 17;
municipal police fund, \$397,854 21;
municipal general revenue fund, \$496,
329 60; county poor fund, \$374,410 67;
township fund, \$36,473 07.

The receipts from the same source
for the corresponding period last year
amounted to \$1,826,251 09.

The number of saloons reporting
this year was 10,348, as compared with
9,872 last year.

This Bill is Not Popular.

A bill has been introduced in the
North Carolina legislature to tax dogs
\$1 each for the benefit of schools and
protection to the sheep industry. But
the bill is not popular. The man with
the dog is a numerous and easily of-
fended citizen. The man with the
sheep has little influence in shaping
state legislation down there. The
sheep industry will remain a hazard-
ous undertaking, in which but few
farmers will enter. With useless dogs
legislated out of the state a great busi-
ness would be built up, but as it now
is the dogs "rule the roost."

THEY WERE ALL TAKEN TO LISBON

Three Call Boys and Sam Dawson
Were Given a Cold Ride
This Morning.

WILL ANSWER TO PROBATE

For Petit Larceny and to the Court
of Common Pleas For
Grand Larceny.

COUNTY JAIL NOT EMPTY NOW

Chief Thompson and Officer Dawson
this morning took William, Mose and
Andrew Call and Sam Dawson to Lis-
bon, where they will be sentenced by
the probate court. Mose and Will-
iam Call will be held for the grand
jury on the charge of stealing flour,
in addition to the other offense.

Sam Dawson was not implicated in
the latter theft, and it is likely he will
have no difficulty in paying his fine.

An uncle living in Pennsylvania
was in the city this week and signi-
fied his willingness to take Sam home
with him, where he will be surrounded
by better and more pleasant influ-
ences. In all probability the uncle
will arrange for the boy's release.

William Call, who was released
from the Mansfield reformatory a lit-
tle more than a year ago, is evidently
destined to turn out badly. While his
parole lasted William worked steadily,
as Inspector Sotzen was keeping a
close watch upon his conduct, and he
would have been sent back at once
had he not lived up to the terms of the
parole. His time was up about three
weeks ago, and since that time he has
not worked a day. It is a case of Satan
and the idle hands, but in all proba-
bility he will be provided with plenty
of employment now for a long time
to come, as he will undoubtedly go to
the penitentiary.

In the case of Mose it is different.
It is thought his older brother ex-
erted a very bad influence over him,
and it is hardly likely the penalty in
his case will be very severe.

OHIO MEMBERS

Seeking to Remove from the Records
Charges of Desertion Against
Worthy Men.

Francis Gessner, Washington cor-
respondent of the Ohio State Journal,
says:

All the Ohio members are loaded
down with bills seeking to remove the
charge of desertion from the army rec-
ords of worthy men. It has of late been
useless to urge the passage of such
bills for the reason that Senate Bate,
of Tennessee, who has charge of all
Ohio pension bills, will not make a
favorable report on any bill affecting
desertion. As Bate was a confederate
general, some of our Ohio soldiers do
not relish the idea of having him pass
on measures affecting men who fought
to save the union that Bate sought
to destroy. There are several deserv-
ing cases where men are put down as
deserters who had no idea of desert-
ing and who had fought for years. One
case comes from Columbus, and in
this instance the soldier wanted to go
home at the close of the war to see a
dying mother. The regiment had not
yet been mustered out, but the captain
told the man to go ahead and that the
record would be kept straight. Rely-
ing on this promise, the soldier did
go, only to find out afterwards that he
was branded as a deserter. All these
long years he has been working to
have the record cleared up and to get
an honorable discharge, to which he is
entitled. It does seem hard that a man
should fight four years and do his
duty and then because an officer was

careless or forgetful that the veteran
should go to his grave with a term of
reproach set opposite his name in the
archives of the government.

HOCKEY PLAYING

On the Streets Must be Stopped, and
the Mayor Has Issued His
Orders.

The reaction has set in at police
court, and last night and today were
very quiet, not an arrest being made.

The mayor took occasion to say this
morning, however, that things would
be very lively around there shortly if
the latest order issued to the small
boys was not observed. Within the
past few weeks numerous complaints
have been made from different quar-
ters concerning the danger to win-
dows and possible injury to persons
from the playing of hockey upon the
streets.

The mayor has determined to put a
stop to the practice, and the players
will be warned but once.

SALOONS IN OHIO.

There Are Just 10,348 Rum Shops Do-
ing Business in the State
of Ohio.

Figures compiled at the state audi-
tor's office show that the entire re-
ceipts from the Dow tax in Ohio for
the six months ending January 1,
1901, amount to \$1,864,641 72, distrib-
uted as follows:

General revenue fund, \$559,574 17;
municipal police fund, \$397,854 21;
municipal general revenue fund, \$496,
329 60; county poor fund, \$374,410 67;
township fund, \$36,473 07.

The receipts from the same source
for the corresponding period last year
amounted to \$1,826,251 09.

The number of saloons reporting
this year was 10,348, as compared with
9,872 last year.

Ware Exclusively to be
Manufactured.

The Tiltonville pottery is rapidly
being put in condition for operation.
The new owners, Vance, Flance &
Co., expect to begin making ware
about the 1st of March.

Tuesday Manager James Platt noti-
fied all the girls in Tiltonville and vi-
cinity that those who wanted posi-
tions should make application at once.
Between 50 and 60 responded. Most
of the skilled workmen will be brought
from Zanesville.

Rookwood ware in the shape of nov-
elties, exclusively, will be manufac-
tured.

This Bill is Not Popular.

A bill has been introduced in the
North Carolina legislature to tax dogs
\$1 each for the benefit of schools and
protection to the sheep industry. But
the bill is not popular. The man with
the dog is a numerous and easily of-
fended citizen. The man with the
sheep has little influence in shaping
state legislation down there. The
sheep industry will remain a hazard-
ous undertaking, in which but few
farmers will enter. With useless dogs
legislated out of the state a great busi-
ness would be built up, but as it now
is the dogs "rule the roost."

Tomorrow being a legal holiday,

 Review. All the news Saturday.

MARRIAGE VOWS.

Congressman Robert W. Tayler now
 goes on record as a warm advocate for
 the better enforcement of the laws
 controlling the married state. Our Co-
 lumbiana county representative at
 Washington is evidently made of the
 genuine stuff, representative of true
 manhood.

DON'T OVERDO IT.

True unionists should see to it that
 their organization does not become
 dictatorial, overbearing or unjust.
 Such a method of procedure is simply
 suicidal and sure to result in disaster
 to the cause of unionism. And such
 should be the result. Might does not
 necessarily constitute right; and the
 so-called unionists who attempt to
 browbeat and abuse an employer, are
 simply guilty of that which is direct-
 ly opposite to the principles controll-
 ing true unionism. Fair play is a
 jewel; and unless you play fair with
 your employer, you are sure to come
 to grief finally. The man or boy who
 receives fair wages, and yet enacts
 the part of a loafer, or playoff, is the
 very opposite of a true unionist.

OUR HOSPITAL.

The project of "one day's wages for
 the hospital," as proposed by a brainy
 workman of the Knowles, Taylor &
 Knowles pottery plant, is meeting with
 general favor, as each contributor will
 have a personal pride in the erection
 of the hospital structure, and can
 truthfully say: "I aided and assisted,
 to the best of my ability, in the con-
 summation of this admirable meas-
 ure." And now, merchants, business
 and professional men, swing into line
 and work in concert with our me-
 chanics and toilers. Unite in this com-
 mon cause of humanity. Strike while
 the iron is hot. A hospital is an actual
 necessity, in which every humane
 man, woman and child of East Liver-
 pool should be deeply and vitally inter-
 ested. Shove and push and propel the
 good work.

A LITTLE BEAUTY.

The writer visited Sebring yester-
 day and had the pleasure of inspect-
 ing the handsome First M. E. church
 of that place, just being finished, and
 to be dedicated on Sunday next. It is
 a perfect gem in architecture, and re-
 flects full credit upon the architect.
 The edifice possesses all modern con-
 veniences, and is splendidly lighted by
 means of electricity. The class rooms
 are the embodiment of neatness and

good taste. Pastor Coursey is justly
 proud of this handsome church edifice
 and expresses the earnest hope that
 much and lasting good may be accom-
 plished within its walls. The rever-
 end gentleman, in the presence of the
 writer, every earnestly insisted that
 Mr. Frank Sebring, one of the prime
 movers in making the structure a pos-
 sibility, shall make the presentation
 speech at the dedicatory services to
 ensue next Sabbath. Frank blushed
 like unto a charming and bashful
 sweet girl graduate of sweet sixteen;
 and, in classic Greek, made response:
 "Not any presentation speech on my
 part, my dear pastor; not for a cool
 million. Such little eloquencies are
 entirely foreign to my line. Hit me
 on the elucidation and charms of pot-
 tery, and I'm your man; but when you
 introduce church presentation speech-
 es, send for the other fellow."

A POOR JUDGE.

A poor judge, indeed and in truth.
 A man unfit to sit in judgment on any
 subject demanding justice, equity and
 equal rights. We have reference to the
 so-called judge who put Mrs. Nation
 behind prison walls. Had the govern-
 or of Kansas performed his full duty
 followed in turn by his subordinate
 officers, including the so-called judge
 designated above, and he followed in
 turn by his subordinates, there would
 have been no saloons or devil's joints
 in blast, in open defiance of the laws
 of the state, and Mrs. Nation, rendered
 desperate alone by official lawlessness,
 would have found no illegal dens to
 make raid or assault upon. The legis-
 lative body of Kansas, under the pres-
 sure brought to bear upon it by a
 conservative and clean minded citi-
 zenship, pronounced the saloon and
 liquor traffic to be a curse against the
 best interests of the state or common-
 wealth, and gave orders to the chief
 executive of the commonwealth to see
 to it that no joints or saloons should
 operate in the state of Kansas, and
 that chief executive failed to obey his
 orders, which he had made oath that
 he would enforce, and the consequence
 has been that all of his subordinate
 officers have winked at the damnable
 saloon traffic and permitted the liquor
 devils to run affairs according to their
 ideas of morality and decency. Pity
 that George Kilborn Nash could not
 be in control there for a short time.

Cases from East Liverpool.

Lisbon, Feb. 21.—(Special.)—The
 Goebel Brewing company of Detroit
 wants judgment against D. A. Camp-
 bell for \$397 60. A year ago Campbell
 owed this amount to E. Ball, of Wheel-
 ing, due for merchandise, and Ball
 transferred his note to the plaintiff.

Elizabeth Geon, as executor of the
 estate of Nicholas Geon, of East Liver-
 pool, filed action in probate court
 today and secured an order of private
 sale for the west 55 feet of lot 110 in
 East Liverpool. The property was ap-
 praised at \$8,000.

In the case of Nancy E. Scott, ad-
 ministratrix, versus Mary Russ et al.,
 the sale of property was confirmed
 and deeds ordered made to Edward
 Garman and Jesse Freshley.

Court News.

Lisbon, Feb. 21.—(Special.)—Hugh
 C. McKenzie, who is trustee in bank-
 ruptcy of Bullock & Ireys of Cleveland,
 wants judgment against John A. No-
 ble, of Wellsville, for \$197 95. Four
 years ago the firm obtained judgment
 in a Cleveland court for the amount,
 but the claim was never satisfied.

S. J. Firestone, as the executor of
 the estate of the late Abbie A. Nace
 of Lisbon, is made defendant, and will
 be required to set up the amount of
 the legacy.

Agreed to Punish as Powers
 Demand.

ENVOYS MAY GET REPLY TODAY.

Representatives of the Powers Decided
 to Compromise—Tuan and Two Others
 Get Life Imprisonment—Some to Be
 Allowed Suicide, Others to Be Executed.

London, Feb. 21.—A dispatch to the
 Reuter Telegram company, from
 Peking, dated Tuesday, says:

"The Chinese have yielded on the
 question of punishments, and it is
 announced that the demand of the
 powers will be fully complied with.
 The reply of the court has not yet
 been communicated to the legations,
 but it is known to have been received
 by Prince Ching and Li Hung Chang,
 and it will probably be communicated
 tomorrow."

London, Feb. 21.—"At their latest
 meeting," says the Peking correspond-
 ent of The Morning Post, wiring yester-
 day, "the foreign envoys agreed to a
 compromise. They propose to per-
 mit the imperial court to commute the
 sentences of decapitation in the
 cases of Prince Tuan, Duke Lan and
 General Tung Fu Hsiang, to life im-
 prisonment and will agree to the fol-
 lowing punishments:

Prince Chwang to be strangled, Yu
 Hsien to be decapitated, Chao Shu
 Chiao and Ying Nien to be permitted
 to strangle themselves, and Chi Hsin
 and Hsu Cheng Wu to be beheaded
 in Peking. If the court advances no
 new obstacle, the negotiations on the
 first point of the demands of the pow-
 ers may be considered closed."

Died When They Reached Her.

Ravenna, O., Feb. 21.—Mrs. Eliza-
 beth Whiston, aged 83, was burned
 to death at her home. She fell and
 a lighted match struck the lace cur-
 tains. Though her screams speedily
 aroused other tenants of the house
 she was dead when they reached her.

Stabbing in a Jail.

Cumberland, Md., Feb. 21.—Joseph
 Heckman, colored, stabbed Walter
 Dreyer, white, aged 20 years, in the
 breast with a razor in jail here. How
 Heckman got his weapon is not
 known. Dreyer is badly wounded.

Tomorrow being a legal holiday,
there will be no issue of the News
Review. All the news Saturday.

MARRIAGE VOWS.

Congressman Robert W. Tayler now
goes on record as a warm advocate for
the better enforcement of the laws
controlling the married state. Our Co-
lumbiana county representative at
Washington is evidently made of the
genuine stuff, representative of true
manhood.

DON'T OVERDO IT.

True unionists should see to it that
their organization does not become
dictatorial, overbearing or unjust.
Such a method of procedure is simply
suicidal and sure to result in disaster
to the cause of unionism. And such
should be the result. Might does not
necessarily constitute right; and the
so-called unionists who attempt to
browbeat and abuse an employer, are
simply guilty of that which is direct-
ly opposite to the principles controll-
ing true unionism. Fair play is a
jewel; and unless you play fair with
your employer, you are sure to come
to grief finally. The man or boy who
receives fair wages, and yet enacts
the part of a loafer, or playboy, is the
very opposite of a true unionist.

OUR HOSPITAL.

The project of "one day's wages for
the hospital," as proposed by a brainy
workman of the Knowles, Taylor &
Knowles pottery plant, is meeting with
general favor, as each contributor will
have a personal pride in the erection
of the hospital structure, and can
truthfully say: "I aided and assisted,
to the best of my ability, in the con-
summation of this admirable mea-
sure." And now, merchants, business
and professional men, swing into line
and work in concert with our me-
chanics and toilers. Unite in this com-
mon cause of humanity. Strike while
the iron is hot. A hospital is an ac-
tual necessity, in which every humane
man, woman and child of East Liver-
pool should be deeply and vitally inter-
ested. Shove and push and propel the
good work.

A LITTLE BEAUTY.

The writer visited Sebring yester-
day and had the pleasure of inspect-
ing the handsome First M. E. church
of that place, just being finished, and
to be dedicated on Sunday next. It is
a perfect gem in architecture, and re-
flects full credit upon the architect.
The edifice possesses all modern con-
veniences, and is splendidly lighted by
means of electricity. The class rooms
are the embodiment of neatness and

good taste. Pastor Coursey is justly
proud of this handsome church edifice
and expresses the earnest hope that
much and lasting good may be accom-
plished within its walls. The rever-
end gentleman, in the presence of the
writer, every earnestly insisted that
Mr. Frank Sebring, one of the prime
movers in making the structure a pos-
sibility, shall make the presentation
speech at the dedicatory services to
ensue next Sabbath. Frank blushed
like unto a charming and bashful
sweet girl graduate of sweet sixteen;
and, in classic Greek, made response:
"Not any presentation speech on my
part, my dear pastor; not for a cool
million. Such little eloquencies are
entirely foreign to my line. Hit me
on the elucidation and charms of pot-
tery, and I'm your man; but when you
introduce church presentation speech-
es, send for the other fellow."

A POOR JUDGE.

A poor judge, indeed and in truth.
A man unfit to sit in judgment on any
subject demanding justice, equity and
equal rights. We have reference to the
so-called judge who put Mrs. Nation
behind prison walls. Had the govern-
or of Kansas performed his full duty
followed in turn by his subordinate
officers, including the so-called judge
designated above, and he followed in
turn by his subordinates, there would
have been no saloons or devil's joints
in blast, in open defiance of the laws
of the state, and Mrs. Nation, rendered
desperate alone by official lawlessness,
would have found no illegal dens to
make raid or assault upon. The legis-
lative body of Kansas, under the pres-
sure brought to bear upon it by a
conservative and clean minded citi-
zenship, pronounced the saloon and
liquor traffic to be a curse against the
best interests of the state or common-
wealth, and gave orders to the chief
executive of the commonwealth to see
to it that no joints or saloons should
operate in the state of Kansas, and
that chief executive failed to obey his
orders, which he had made oath that
he would enforce, and the consequence
has been that all of his subordinate
officers have winked at the damnable
saloon traffic and permitted the liquor
devils to run affairs according to their
ideas of morality and decency. Pity
that George Kilborn Nash could not
be in control there for a short time.

Cases from East Liverpool.

Lisbon, Feb. 21.—(Special.)—The
Goebel Brewing company of Detroit
wants judgment against D. A. Camp-
bell for \$397 60. A year ago Campbell
owed this amount to E. Ball, of Wheel-
ing, due for merchandise, and Ball
transferred his note to the plaintiff.
Elizabeth Geon, as executor of the
estate of Nicholas Geon, of East Liver-
pool, filed action in probate court
today and secured an order of private
sale for the west 55 feet of lot 110 in
East Liverpool. The property was ap-
praised at \$8,000.

In the case of Nancy E. Scott, ad-
ministrator, versus Mary Russ et al.,
the sale of property was confirmed
and deeds ordered made to Edward
Garman and Jesse Freshley.

Court News.

Lisbon, Feb. 21.—(Special.)—Hugh
C. McKenzie, who is trustee in bank-
ruptcy of Bullock & Irey of Cleveland,
wants judgment against John A. No-
ble, of Wellsville, for \$197 95. Four
years ago the firm obtained judgment
in a Cleveland court for the amount,
but the claim was never satisfied.

S. J. Firestone, as the executor of
the estate of the late Abbie A. Nace
of Lisbon, is made defendant, and will
be required to set up the amount of
the legacy.

London, Feb. 21.—A dispatch to the

The reply of the court has not yet
been communicated to the legations,

London, Feb. 21.—"At their latest
meeting," says the Peking correspond-
ent of The Morning Post, wiring yester-

mit the imperial court to commute

cases of Prince Tuan, Duke Lan and
General Tung Fu Hsiang, to life im-
prisonment and will agree to the fol-
lowing punishments:

Prince Chwang to be strangled, Yu
Hsien to be decapitated, Chao Shu
Chiao and Ying Nien to be permitted
to strangle themselves, and Chi Hsin
and Hsu Cheng Wu to be beheaded
in Peking. If the court advances no
new obstacle, the negotiations on the
first point of the demands of the pow-
ers may be considered closed."

TUCKER AND BRADLEY HAD A TWO-ROUND BOUT.

When it Was All Over the Restaurant Looked as Though a Cyclone Had Struck It.

Tucker's restaurant was the scene of a two-round bout day before yesterday, and as a result paper is used in place of glass in the front window today, and the proprietor is minus some chinaware, stove lids and various other articles which were used in the mixup.

The trouble started over the wife of "Bill" Bradley, of East Liverpool, who had been a regular visitor at the restaurant for some time past. Bradley came over after her on the day mentioned and she refused to accompany him home, saying that he was drunk, and that she did not like to ride with drunk people, but would come on the next car. He refused to leave without her and began to indulge in some profane language when Tucker threatened to put him out and Bradley went after him, smashing some china as he went. Tucker held him in the corner awhile and when he let him loose Bradley proceeded to smash some more china in true "Nation" style. A half-hour battle ensued, in which both parties lost most of their clothing. Bradley received the worst of the bout, and as his wife had already left, he followed suit, gently casting a club through the window as he went.

Bradley consulted a local magistrate before leaving East Liverpool and stated that he loved his wife and wanted to live with her, but that she went to Tucker's place every day, and that he could not stand that kind of thing. Under the circumstances the magistrate advised him to load up and go over and whip Tucker, and offered any assistance that he might be able to render. Bradley attempted to follow his advice.

Tucker states that the woman had no place to stay in Liverpool and that he allowed her to stay there through kindness.

Jake Hobbs for Mayor.

Speculation is rife as to who will be the mayor if Chester is incorporated, and several persons have suggested the name of Jake Hobbs as a candidate.

It is argued that Jake could hold court in his barber shop and save some of the heavy municipal expenses that would otherwise accrue.

F. E. Spivey broke a rib in a fall off a step-ladder while papering the other day. He suffered considerable pain in his side, but was not aware of the cause until today.

Claud Hendricks badly smashed his finger at the upper pottery yesterday. It is feared that amputation may be necessary.

F. B. Hatton, of near Asbury, is very ill with the mumps. A number of cases are reported from that community, and it is feared that Chester may be treated to another epidemic.

ANOTHER VICTIM.

The Klondike Young Woman Pays Another Visit to the Pottery.

It seems when Tom Davis had his interview with the young woman at the Klondike pottery a few days ago, there were several others who took part in the argument.

It now develops that one John O'Malley, commonly known as Hoolighan, told the girl that in case Davis decided to spurn her advances, he would marry her.

Yesterday afternoon Miss Georgia again appeared at the pottery, and this time the object of her search was "Hoolighan."

She reminded him of his promise and said she had about given up hopes of capturing Davis, so she would do the next best thing and take him. If she fails in this, she states, she still has one more chance, as Jim Ward, of the same shop, has promised to do something for her.

CRUSADERS DECIDED TO WAIT.

Will First See Whether Officials Will Close Joints, at Winfield, Kan.

Winfield, Kan., Feb. 21.—The temperance people accepted a report of Mayor Albright and a committee of business men, who went through the buildings vacated by the jointists, that all had quit business, and issued a statement that hostilities would cease until it could be seen whether the mayor would keep the joints closed. By this act it is believed that serious trouble has been avoided, at least for the time being.

Large crowds gathered on the streets, waiting for "something to happen," and the marshal deputized several dozen men to keep order and prevent any attempt at saloon smashing. The people were dispersed without trouble.

Two jointists, who engaged in Saturday's tussle, were arrested and held on a charge of assault with intent to kill. The county attorney has demanded the assistance of the city officials in enforcing the law against liquor selling.

Started Back With Ohio Boy.

New York, Feb. 21.—Harry Smeltzer, 16 years old, who ran away from his home in Findlay, O., last November, was discharged by Judge Leut in White Plains. The boy was arrested there while in the company of the Reiff brothers, the jockeys, some time ago. He said that he ran away from home to become a jockey. He is the son of well-to-do parents, and last night his uncle started back to Ohio with him.

TWO BLOCKS SOLD.

Formerly Belonged to Rathbone's Estate.

SALES WERE ON A FORECLOSURE.

Under a Decree of the United States Court on a Foreclosure Obtained by W. F. Jones, of New York—Former Sale Had Been Set Aside.

Hamilton, O., Feb. 21.—George A. Rentschler, of this city, purchased the Reilly and Campbell blocks, which were sold at auction under a decree of the United States court on foreclosure obtained by W. F. Jones, of New York.

The property was part of the estate of Major E. G. Rathbone, formerly director of the posts of Cuba. The Reilly block sold for \$61,300 and the Campbell block for \$59,550. A former sale was set aside by the courts.

LAKE CARRIERS MAY COMBINE.

Proposed Plan to Regulate Rates and Vessels.

Cleveland, Feb. 21.—A project was being discussed to the effect that vessel owners of the great lakes shall form three big pools, to include three different classes of boats. The first, those carrying tonnage from 5,000 to 9,000 tons and owned by the large industrial concerns; the second, vessels from 1,000 to 5,000 tons, owned by general bulk commodity carriers, and owned by large individual companies, and the third, the "small hookers" of 1,000 tons capacity or less. The purpose of the combination is to control and maintain rates.

If there should be more boats than freight, the number of boats can be reduced, thus insuring a fair carrying profit to the vessel owners. Vessel men state that under present conditions only about one season in three is profitable, and the plan under discussion would insure a fair dividend. The project is apt to be slow of formation, and will not be inaugurated for at least a year.

QUAY SENT MESSAGES.

Asked Followers in Pennsylvania House to Support "Ripper" Bill.

Harrisburg, Feb. 21.—Following is a copy of a telegram received Wednesday by the Quay Republican members of the house of representatives: Saint Lucie, Fla., Feb. 19.

"I sincerely trust you will stand by the Pittsburg charter bill, which is to come in the house tomorrow evening. The regular organization is committed to municipal reform and ballot reform at elections and primaries. Our failure to discharge our obligations will cost us all the fruits of our recent victory; will sacrifice in 1902 every close legislative district by strengthening those in our party who allied themselves with Democracy for our defeat in 1900, and may cost us the governorship. We will sink finally into merited infamy. I hope to see you soon.

TUCKER AND BRADLEY HAD A TWO-ROUND BOUT.

When it Was All Over the Restaurant Looked as Though a Cyclone Had Struck It.

Tucker's restaurant was the scene of a two-round bout day before yesterday, and as a result paper is used in place of glass in the front window today, and the proprietor is minus some chinaware, stove lids and various other articles which were used in the mixup.

The trouble started over the wife of "Bill" Bradley, of East Liverpool, who had been a regular visitor at the restaurant for some time past. Bradley came over after her on the day mentioned and she refused to accompany him home, saying that he was drunk, and that she did not like to ride with drunk people, but would come on the next car. He refused to leave without her and began to indulge in some profane language when Tucker threatened to put him out and Bradley went after him, smashing some china as he went. Tucker held him in the corner awhile and when he let him loose Bradley proceeded to smash some more china in true "Nation" style. A half-hour battle ensued, in which both parties lost most of their clothing. Bradley received the worst of the bout, and as his wife had already left, he followed suit, gently casting a club through the window as he went.

Bradley consulted a local magistrate before leaving East Liverpool and stated that he loved his wife and wanted to live with her, but that she went to Tucker's place every day, and that he could not stand that kind of thing. Under the circumstances the magistrate advised him to load up and go over and whip Tucker, and offered any assistance that he might be able to render. Bradley attempted to follow his advice.

Tucker states that the woman had no place to stay in Liverpool and that he allowed her to stay there through kindness.

Jake Hobbs for Mayor.

ANOTHER VICTIM.

The Klondike Young Woman Pays Another Visit to the Pottery.

It seems when Tom Davis had his interview with the young woman at the Klondike pottery a few days ago, there were several others who took part in the argument.

It now develops that one John O'Malley, commonly known as Hooligan, told the girl that in case Davis decided to spurn her advances, he would marry her.

Yesterday afternoon Miss Georgia again appeared at the pottery, and this time the object of her search was "Hooligan."

She reminded him of his promise and said she had about given up hopes of capturing Davis, so she would do the next best thing and take him. If she fails in this, she states, she still has one more chance, as Jim Ward, of the same shop, has promised to do something for her.

CRUSADERS DECIDED TO WAIT.

Will First See Whether Officials Will Close Joints, at Winfield, Kan.

Winfield, Kan., Feb. 21.—The temperance people accepted a report of Mayor Albright and a committee of business men, who went through the buildings vacated by the jointists, that all had quit business, and issued a statement that hostilities would cease until it could be seen whether the mayor would keep the joints closed. By this act it is believed that serious trouble has been avoided, at least for the time being.

Large crowds gathered on the streets, waiting for "something to happen," and the marshal deputized several dozen men to keep order and prevent any attempt at saloon smashing. The people were dispersed without trouble.

Two jointists, who engaged in Saturday's tussle, were arrested and held on a charge of assault with intent to kill. The county attorney has demanded the assistance of the city officials in enforcing the law against liquor selling.

He is the son of well-to-do parents, and last night his uncle started back to Ohio with him.

LAKE CARRIERS MAY COMBINE.

Proposed Plan to Regulate Rates and Vessels.

Cleveland, Feb. 21.—A project was being discussed to the effect that vessel owners of the great lakes shall form three big pools, to include three different classes of boats. The first, those carrying tonnage from 5,000 to 9,000 tons and owned by the large industrial concerns; the second, vessels from 1,000 to 5,000 tons, owned by general bulk commodity carriers, and owned by large individual companies, and the third, the "small hookers" of 1,000 tons capacity or less. The purpose of the combination is to control and maintain rates.

If there should be more boats than freight, the number of boats can be reduced, thus insuring a fair carrying profit to the vessel owners. Vessel men state that under present conditions only about one season in three is profitable, and the plan under discussion would insure a fair dividend. The project is apt to be slow of formation, and will not be inaugurated for at least a year.

QUAY SENT MESSAGES.

Asked Followers in Pennsylvania House to Support "Ripper" Bill.

Harrisburg, Feb. 21.—Following is a copy of a telegram received Wednesday by the Quay Republican members of the house of representatives: Saint Lucie, Fla., Feb. 19.

"I sincerely trust you will stand by the Pittsburg charter bill, which is to come in the house tomorrow evening. The regular organization is committed to municipal reform and ballot reform at elections and primaries. Our failure to discharge our obligations will cost us all the fruits of our recent victory; will sacrifice in 1902 every close legislative district by strengthening those in our party who allied themselves with Democracy for our defeat in 1900, and may cost us the governorship. We will sink finally into merited infamy. I hope to see you soon."

FIRST CLASS SUMMER RESORT

Out of the Island Which Is Located
a Short Distance This Side
of Steubenville.

PLANS NOW BEING FORMED

A plan is now in course of formation that, in case it is carried to a successful termination, will mean much to East Liverpool and the river towns between this city and Steubenville.

A party of Pittsburg and New York capitalists are reported to have formed a company for the purpose of purchasing Brown's island. The present owners are said to be willing to sell, provided they can get their price, but what the figure is cannot be learned.

In the event that the deal is consummated the new concern propose building a large hotel, race track, summer cottages and will add other necessary features to transform the island into a first-class, up-to-date summer resort.

George Maxwell, of Steubenville, is interested in the deal, and is just now engaged in an effort to procure a franchise for an electric line to be run from Steubenville to Brown's island and thence to Toronto. To the present this terminus has been fixed in the plans as they stand at present, but it is the intention to ultimately extend the road to Wellsville to connect with the East Liverpool line.

If the plans do not miscarry, work upon the new improvements will be commenced in the early spring, and if successful will mean much to the towns along the river.

PRESSERS

At the Anchor Pottery, Trenton, Are Still Out on a Strike.

The pressers of the Anchor pottery, East Trenton, who went out last Monday, are still out.

They say they want the standard list, and will not return until they get it.

She Was Lucky.

Toronto Tribune.

Miss Mary Cuppy, of New Cumberland, was very fortunate in finding her gold watch, which she lost Monday. In coming down the embankment of First street off the train, Monday, and going over to East Liverpool, she missed the watch, which had become detached from the chain. Miss Cuppy hurried back on the next car and found the time piece imbedded in the soft clay and none the worse for its experience.

BAY CITY.

Mr. L. H. Mans, 1901 Columbus Avenue, Bay City, Mich., by overwork and too assiduous attention to his business, brought on an attack of kidney trouble, which made it necessary for him to leave off working at times. He states:

"On the recommendation of Mr. Geo. Leyer, druggist of this place, I purchased a box of Dr. A. W. Chase's Kidney-Liver Pills for my kidney trouble. They acted so well in relieving my pain and backache that I persisted in the use of them until perfectly cured of my trouble. I am a well man now, thanks to the use of Dr. A. W. Chase's Kidney-Liver Pills."

DETROIT.

Mr. Levi Elsey, 803 McDougal Avenue, Detroit, lived for years expecting death from heart failure and Bright's disease, but was cured by a few boxes of Dr. A. W. Chase's Kidney-Liver Pills. He writes: "For years I lived in constant fear that I should meet death through kidney trouble. I was troubled terribly by pains in my back and about the heart. My troubles are now over, for Dr. A. W. Chase's Kidney-Liver Pills have made me well again. I will gladly answer any letters about this wonderful medicine."

PLENTY OF PROOF

From People You Know—From East
Liverpool Citizens.

The greatest skeptic can hardly fail to be convinced in the face of evidence like this. It is impossible to produce better proof of merit than the testimony of residents of East Liverpool of people who can be seen at any time. Read the following case of it:

Mr. P. J. Green, veterinary surgeon, says: "When attending a sick horse belonging to Mr. G. H. Gardner, of 168 Jackson street, he remarked to me that the horse seemed to be in pain. I replied that I was the sicker of the two, as I could at that time scarcely straighten up with my back from lameness, weakness and severe pains. He asked me what my symptoms were and I explained to him that I had suffered for a number of years from my kidneys, that I had attacks at times when nothing helped me, and it was agony to get around, but that I could not endure idleness. The secretions from the kidneys were very high colored and acidous; that I had spells of dizziness when I could see black specks floating before my eyes and felt generally broken up. He looked up and said he had the very thing I needed to cure me in his house—Doan's Kidney Pills. He went into the house and brought me eight pills. I took them with me and I used them two at a dose. The effect was astonishing, I felt it almost at once, and went to the W. & W. pharmacy and bought a box and took them. The

encouragement held out to me by the first eight pills was not mythical, as by their continued use the improvement continued and I consider no expression of praise too strong for Doan's Kidney Pills, in short they are ne plus ultra."

Sold for 50 cents per box by all dealers. Foster-Milburn Co., Buffalo, N. Y., sole agents for the U. S. Remember the name, Doan's, and take no other.

A CLUE

Police Think They Will Get the Man
Who Robbed David
Ralston.

A clue to the robbers of Ralston's house, at Smith's Ferry, has at last been discovered, and it is stated that the authorities now know the name of the leader of the gang and will have him before the bar of justice in a very few days.

Officers Gill and Dawson, of this city, have been quietly at work on the case, and it is known that the man resides in this city.

A network of circumstantial evidence is being wound around the victim, and his arrest is a matter of a very short time.

CHILD DIED.

Little Daughter of Arthur Shinn Passed
Away from the Effects of Burns
Received a Few Days Ago.

The four-year-old daughter of Arthur Shinn died at the home in Smith's Ferry at 2:15 o'clock this morning. A message was received by Mrs. Shinn's mother, Mrs. Young, yesterday evening, stating that the child was very low, and she and her daughter, Mrs. William Finley, went to Smith's Ferry early this morning, but the child had died before they arrived.

Funeral services will be conducted tomorrow afternoon at 2 o'clock, interment being made in Riverview cemetery.

His Man Was Defeated.

Michael Kerr returned from Shipingport yesterday a very blue man. He seems rather sore today and wont talk politics. He made a special trip home to vote in a township election in order to defeat a man he didn't like, but the man was elected by a safe majority.

East End Notes.

Lee Snowden, who has been very ill, is convalescing, but is still unable to be out.

Frank Chambers was in Pittsburg on business yesterday.

Eck Allison is spending the day in Pittsburg.

Rumored Sale.

Charles Felt has returned from Chicago, where he was attending to the interests of the artificial gas plant located here. It is rumored that the plant was sold to Chicago capitalists.

Will Hold a Social.

The Daughters of Liberty will hold a social in their hall on Mulberry street tomorrow evening.

Returned to East End.

E. H. Ward, who has been ill for the past week at his home in New Cumberland, returned to the East End yesterday.

Another Suggestion.

Following the plan adopted to increase the hospital fund, a business man of East End suggests that after the hospital is built each workman and woman who makes more than 75 cents a day, should contribute five cents a pay toward the support of the institution.

He claims to have made a careful estimate of the amount which would thus accrue and says that it would fully support a first-class hospital. He suggests that every person thus contributing should be provided with a ticket entitling him to free hospital service.

Many people have expressed their willingness to give the day's wages, as requested, and it is thought that the matter will at last receive the attention it deserves.

FATAL FIRE CHARGED TO THEM.

Drugstore Destroyed—A Man Sleeping Above Store Perished—First Report Attributed It to Gas Explosion—Arrests Alleged—Story Needed Verification.

Sistersville, W. Va., Feb. 21.—Word was received from Stringtown, a small oil village in the interior of Tyler county, that a fire had started in a drug store and before the flames could be got under control several buildings had been consumed, and that John Glendenning had been burned to death. The report was verified later in the day, and the latest report from Stringtown is that two men have been arrested for arson and murder.

It appears that there had been a sort of Carrie Nation crusade in the oil village against the dives and speakeasies during about the past two weeks, and a warning had been given that unless the proprietor of the drug store over which Glendenning slept stopped selling liquor the place would be either burned or blown up.

The first report received here over the telephone was that the drug store had caught fire from a gas explosion, but later information is that after the fire was under control it was demonstrated that there had been no explosion, and it is now asserted that the fire was the work of persons who desired to rid the town of the alleged speakeasy.

R. H. Glendenning, of Sistersville, a brother of the dead man, went out, and was expected back last midnight with the remains, when, it was thought, the story of the arrest of the two men for arson and murder might be verified.

Wheeling, Feb. 21.—About 1 a. m. a telephone message from Sistersville stated that four men are under arrest at Stringtown, charged with arson and the murder of Glendenning.

MRS. NATION: "YOUR DISHONOR."

Kansas Crusader So Addressed Judge, In Speaking to Him.

Topeka, Kan., Feb. 21.—Judge Hazen, of the district court, continued the case of Mrs. Carrie Nation, charged with smashing Murphy's joint, until the April term of court. The cases against Eva Hardin, Mrs. Rose Crist, Miss Madeline Southard, Mrs. C. C. Chadwick and C. H. McDowell were also continued. He announced that Balf Stark would be tried Monday morning.

Mrs. Nation arose several times to address the court, each time calling the judge "your dishonor."

Balf Stark is a young clerk, who accompanied the crusaders and assisted in the raids Sunday. Mr. Stark's lawyer requested that his client's case also go over for this term.

"I would prefer to try a man on this charge rather than a woman," said Judge Hazen.

"You may call a special venire if you wish, and I think it will be necessary. I expect to try only this one case."

Miss Madeline Southard and Mrs. Crist, who have been with Mrs. Nation in the county jail, gave bond for \$500 each and were released. Mrs. Nation and the others were returned to jail. The indications are that there will be a legal battle over the trials. The attorneys for the defendants will insist that they be granted a change of venue on account of the alleged prejudice of Judge Hazen.

THE EVENING NEWS REVIEW.

16TH YEAR. NO. 216.

EAST LIVERPOOL, O., THURSDAY, FEBRUARY 21, 1901.

TWO CENTS

EXPENSES ARE MUCH TO HIGH

The Committee Appointed To Go Over the Commissioners Report Make

A FEW GOOD SUGGESTIONS

They Go After the Infirmary Directors and Order One Office Abolished.

ITEMIZED BILLS ARE WANTED

Lisbon, Feb. 21.—(Special.)—A committee appointed several weeks ago to examine the report of the county commissioners has filed their report with Auditor Adams, and the finding of the committee has caused somewhat of a sensation in official circles.

In past years these committees have recommended economy and advocated the cutting of county expenses, but the committee this year feel confident that they have taken measures to insure that the same will be done. The order for future economy applies both to the county commissioners and infirmary directors.

It first came to the notice that the latter maintained an office in the Syndicate building in Lisbon, the rent for which has been paid by the county without authority of law. The statutes provide that an office for the infirmary directors shall be maintained at the infirmary building, where they shall meet once a month to transact any business that may come before them. The committee recommended that this office in Lisbon be abolished, and notified Auditor Adams not to pay the rent since November. For several years past all grocery supplies for the infirmary have been purchased from wholesale firms and the county has paid the bills as presented. In the future these bills as they come in must be accompanied by an itemized account of the order, which will be submitted to Superintendent Riddle, of the infirmary, and he must check off the articles he received.

The committee also concluded that the infirmary directors devoted too many days in the year looking after the poor of the county, which is distinctly the duty of township trustees. The statutes state that the latter shall look after the needs of the poor in their respective townships and make out a proper commitment for those desiring admission to the infirmary.

In the future when supplies heretofore purchased by the janitor are to be furnished at the court house, an itemized order must be left at the office of the county commissioners, and they will make the purchases.

The committee who filed the report were Paul Huxley, of Salem; Attorney Conrad Hume, of Lisbon, and Prosecuting Attorney J. H. Brookes, of this city.

GEORGE KEESEY

Was Permitted to Plead Guilty to Insulting Females And Was Fined \$5 And Costs.

When the time arrived for resuming the trial of George Keesey on a charge of assault with intent to rape yesterday afternoon, the authorities had made up their minds that there was not enough evidence to hold him on that charge, and he was permitted

to plead guilty to a charge brought under the city ordinance.

This law provides for a fine of not more than \$20 or imprisonment for the offense of insulting females and using obscene language.

Mayor Davidson imposed a fine of \$5 and costs, and Keesey stands committed to the Canton workhouse until fine and costs are paid.

JOHN MALEY

DIED ON HIS WAY HOME FROM THE PHILIPPINES.

He Was a Member of Battery B, First United States Artillery And Had Reached California.

Relatives in this city received word yesterday that John Maley, who has been attached to Battery B, of the First United States artillery in the Philippines, had died in Presado, Cal., while on his way to this city.

The young man, who is but 22 years of age, became ill some time ago, but felt strong enough to stand the trip, and after procuring a furlough commenced the journey. He got as far as California, where he became much worse, and his death occurred on Tuesday.

Arrangements were at once made to have the remains brought here, and they are expected to arrive next week.

Deceased had a brother in the same command, and when last heard from he was in ill health. The family of the young artilleryman, who reside in Salineville, have made no arrangements for the funeral, but as soon as the body arrives this will be attended to.

PLEASANT HOME WEDDING.

Allen Crafts Morse and Miss Edith Frances McCord Were Married Last Night.

The wedding event in which Miss Edith Frances, daughter of Mr. and Mrs. William B. McCord, of Thompson Place, was united to Mr. Allen Crafts Morse, of Cleveland, occurred Wednesday evening at 8:30. The ceremony was performed by the Rev. Charles G. Jordan, of the First Presbyterian church, the Episcopal service being used. Only near friends of the two families, beside the "Bachelor Girls' club," of which the bride was a member, about 50 persons all told, were present as guests.

The bride was gowned in pointe d'esprit, over white silk, and carried a bouquet of lilies of the valley. Miss Nell V. Geisse, cousin of the bride, was bridesmaid. She wore white organdie. Mr. Frank Morse, brother of the groom, acted as best man. The bride was given away by her father. Little Joe and Edwin Wells, cousins of the bride, led the bridal party to the altar. Miss Bess Adams played Lohengrin's wedding march.

The large parlors were decorated with palms and other tropical plants. The tables were trimmed with pink carnations and smilax, except the table at which the bride party was seated, which had for floral decoration white roses.

After the bridal supper and renewed congratulations, Mr. and Mrs. Morse left for Cleveland by the midnight train. They will make their permanent home in Cleveland, although about March 1st they will go to Findley, where Mr. Morse will be engaged for some months in superintending the construction of a plant for the United States Telephone company, with which company he is prominently identified.

The bride is a graduate of the East Liverpool high school, and has been engaged for three years past in newspaper work.

SPRING ELECTION IN HOOKSTOWN, PA.

There Was Much Excitement In the Village on Tuesday and the People Are

STILL TALKING ABOUT IT

It Will Be the Topic of Conversation For Many Weeks to Come.

D. D. PUGH WAS A WINNER

The village of Hookstown, Pa., just passed through an election, but the community has not yet resumed its usual serenity and the result of the election is still the chief topic for conversation, and will be for some time.

The Democrats met on January 26 and nominated their ticket as follows: Burgess—Harry Moore.

Council—James P. Brown, Walter A. Rendall, J. W. Anderson.

School Director—Robert M. Bryan. Henry S. Nickle.

Assessor—W. L. Reed.

Judge of election—J. R. Thompson.

Inspector—C. P. Gregory.

Auditor—J. R. Thompson.

A few evenings later the Republicans met and nominated the following:

Burgess—Harry Moore.

Council—Walter Rendall, J. P. Brown, J. W. Anderson.

To the Public.

All persons owing money to the News Review will please make payment at once. All persons to whom the News Review is indebted will present bills at once and receive payment for all legitimate claims.

HARRY PALMER,
Owner and Manager

Assessor—Wm. L. Reed.

Judge—Louis A. Mills.

Inspector—W. A. Rendall.

Auditor—Harry Moore.

It will be noticed the Republicans endorsed a portion of the Democratic ticket, and when election day rolled around the Democrats managed to elect C. G. Gregory for inspector and J. R. Thompson for auditor.

Everybody is satisfied, but out in Green township the fight for assessor will go down in history. For the past four years D. D. Pugh, Republican, and James Hanley, Democrat, have been opponents and each time Pugh has won. Pugh represented the Quay faction and Hanley was the choice of the Democrats and Republican insurgents. Hanley and his friends determined to win out and thought they saw sure victory. The district school master dismissed school and labored all day, while all the voters in the township were buttonholed. The Quayites were equally as determined that their man should win. From early morn until the time the polls closed the battle raged, and it was with eager expectancy the parties waited for the result.

As is usual in all country precincts it took some time for the judges and clerks of election to get started, and they were as much interested as any person else. Hanley started out like a winner, but the Pugh votes had gone in first, and when the total was reach-

ed it was found that the Quay man was just eight votes ahead.

The news wasn't telegraphed all over the country, but there was just as much joy among the Quayites of that township as when Senator Matthew Stanley Quay scored his signal victory over the insurgents at Harrisburg.

TRADES' COUNCIL

HELD A VERY INTERESTING SESSION LAST EVENING.

The Council Adopted a Resolution Protesting Against the Grout Bill.

Trades Council met in regular session last evening, the meeting being called to order by Vice President Orr. President McLane came in later and the business was proceeded with.

The credential committee reported favorably upon the following new delegates, and they were elected and received the obligation:

Hodcarriers union No. 8803, Henry Stewart, D. S. Smith, William W. Downing, Vernon Calloway, Thomas Capital.

The delegates from the retail clerks' union reported that within the next few days the cards issued by their organization indicating the union stores would be out, and all establishments employing union clerks throughout would be provided.

The delegates from Pressmen's union No. 64 reported that this would be the last meeting they would be there as delegates from that organization, as they had formed a local branch and would elect new delegates.

A report was made by the committee appointed at the last meeting to draft resolutions in support of the stand taken by the local grocers' association with reference to the tax on oleomargarine and other artificial butters. The resolution is as follows:

Whereas, The "oleomargarine bill," or "Grout bill," recently passed by the house, and now before the United States senate, by which the tax on oleomargarine containing artificial coloring matter, is increased from two cents to 10 cents per pound, is an unwarranted abuse of the taxing power of congress; and, if enacted into law will lay an unjust burden on the laboring classes of the country, who are by reason of their condition and the insufficiency of the supply of butter, the greatest consumers of the product commonly known as "oleomargarine;" therefore, be it

Resolved, By the Trades and Labor Council, of the City of East Liverpool, Ohio, representing organized labor of the said city, that we are unalterably opposed to the passage of the said "Grout bill," as we believe the purpose of said legislation to be in the interests alone of the trust manufacturing what is commonly known as creamery butter; and, further,

Resolved, That a copy of these resolutions be forwarded to the congressman from the district, Hon. R. W. Taylor; and the senators from this state, Hon. J. B. Foraker and Hon. M. A. Hanna.

C. J. McHUGH,

HENRY SCHREIBER,

C. W. BROWNFIELD,

Committee.

The report of the committee was received and the secretary instructed to forward a copy to the Ohio senators and Hon. R. W. Taylor, with the request that they act accordingly.

It was decided at the meeting last night that a committee should be appointed to revise the by-laws, and Messrs. John Reark, J. H. Litmer, G. C. Gaston, William Usler and LeRoy Orr will attend to the matter. They are expected to report back to the organization at the next meeting.

TOO MUCH WATER CAUSED DAMAGE

Water Pipe In the Third Floor of the Wells' Building Burst Last Night

POSTOFFICE WAS DRENCHED

Three Thousand Postal Cards and Several Thousand Stamped Envelopes Suffered

CANCELING MACHINE DAMAGED

The United States government is out several hundred dollars by the bursting of a water pipe in the third floor of the Wells block last night.

This morning when the employees of the postoffice arrived they found several inches of water on the floor and water was dripping from the ceiling. An investigation was made and the break was found on the third floor in a lodge room. The water was shut off as soon as possible and then the employees began to foot up the losses.

It was soon learned that 3,000 postal cards had been thoroughly soaked, while several thousand stamped envelopes had shared the same fate. The envelopes will all have to be replaced, but some of the postal cards may be fit to be used.

The canceling machine was also damaged by the water, but it can be repaired and placed in good working order.

CASHIER ALLISON

OF THE BEAVER FIRST NATIONAL BANK, HAS BEEN APPOINTED.

Receiver of the Property of C. A. Smith in the Celebrated Smith-Mason Case.

Judge J. Sharpe Wilson, of Beaver, yesterday appointed Cashier Allison, of the First National bank of Beaver, as receiver of the property of C. A. Smith in the case of Mason versus Smith.

The defendant in the case is given five days from the time the receiver is appointed in which to file a bond in order to appeal the case. If the bond is not filed in that time the receiver will take charge of the property.

Wants the Insurance.

Lisbon, Feb. 21.—(Special.)—Err Crawford has entered suit in court to recover \$306 fire insurance from the Township Line Mutual Protective association of Columbiana county. James T. Crawford, the father of the plaintiff, insured his farm in Elkrun township for this amount prior to his death in 1898. The plaintiff inherited the property, and last April the house burned down. Part of the insurance has been paid.

COUNTY JAIL NOT EMPTY NOW

Chief Thompson and Officer Dawson
this morning took William, Mose and
Andrew Call and Sam Dawson to Lis-
bon, where they will be sentenced by
the probate court. Mose and Will-
iam Call will be held for the grand
jury on the charge of stealing flour,
in addition to the other offense.

Sam Dawson was not implicated in
the latter theft, and it is likely he will
have no difficulty in paying his fine.

An uncle living in Pennsylvania
was in the city this week and signi-
fied his willingness to take Sam home
with him, where he will be surrounded
by better and more pleasant influ-
ences. In all probability the uncle
will arrange for the boy's release.

William Call, who was released
from the Mansfield reformatory a lit-
tle more than a year ago, is evidently
destined to turn out badly. While his
parole lasted William worked steadily,
as Inspector Sotzen was keeping a
close watch upon his conduct, and he
would have been sent back at once
had he not lived up to the terms of the
parols. His time was up about three
weeks ago, and since that time he has
not worked a day. It is a case of Satan
and the idle hands, but in all proba-
bility he will be provided with plenty
of employment now for a long time
to come, as he will undoubtedly go to
the penitentiary.

In the case of Mose it is different.
It is thought his older brother ex-
erted a very bad influence over him,
and it is hardly likely the penalty in
his case will be very severe.

OHIO MEMBERS

Seeking to Remove from the Records
Charges of Desertion Against
Worthy Men.

Francis Gessner, Washington corre-
spondent of the Ohio State Journal,
says:

All the Ohio members are loaded
down with bills seeking to remove the
charge of desertion from the army rec-
ords of worthy men. It has of late been
useless to urge the passage of such
bills for the reason that Senate Bate,
of Tennessee, who has charge of all
Ohio pension bills, will not make a
favorable report on any bill affecting
desertion. As Bate was a confederate
general, some of our Ohio soldiers do
not relish the idea of having him pass
on measures affecting men who fought
to save the union that Bate sought
to destroy. There are several deserv-
ing cases where men are put down as
deserters who had no idea of desert-
ing and who had fought for years. One
case comes from Columbus, and in
this instance the soldier wanted to go
home at the close of the war to see a
dying mother. The regiment had not
yet been mustered out, but the captain
told the man to go ahead and that the
record would be kept straight. Rely-
ing on this promise, the soldier did
go, only to find out afterwards that he
was branded as a deserter. All these
long years he has been working to
have the record cleared up and to get
an honorable discharge, to which he is
entitled. It does seem hard that a man
should fight four years and do his
duty and then because an officer was

careless or forgetful that the veteran
should go to his grave with a term of
reproach set opposite his name in the
archives of the government.

HOCKEY PLAYING

On the Streets Must be Stopped, and
the Mayor Has Issued His
Orders.

The reaction has set in at police
court, and last night and today were
very quiet, not an arrest being made.

The mayor took occasion to say this
morning, however, that things would
be very lively around there shortly if
the latest order issued to the small
boys was not observed. Within the
past few weeks numerous complaints
have been made from different quar-
ters concerning the danger to win-
dows and possible injury to persons
from the playing of hockey upon the
streets.

The mayor has determined to put a
stop to the practice, and the players
will be warned but once.

SALOONS IN OHIO.

There Are Just 10,348 Rum Shops Do-
ing Business in the State
of Ohio.

Figures compiled at the state audi-
tor's office show that the entire re-
ceipts from the Dow tax in Ohio for
the six months ending January 1,
1901, amount to \$1,864,641 72, distrib-
uted as follows:

General revenue fund, \$559,574 17;
municipal police fund, \$397,854 21;
municipal general revenue fund, \$496,
329 60; county poor fund, \$374,410 67;
township fund, \$36,473 07.

The receipts from the same source
for the corresponding period last year
amounted to \$1,826,251 09.

The number of saloons reporting
this year was 10,348, as compared with
9,872 last year.

The Tiltonville pottery is rapidly
being put in condition for operation.

Tuesday Manager James Platt noti-
fied all the girls in Tiltonville and vi-
cinity that those who wanted posi-
tions should make application at once.
Between 50 and 60 responded. Most
of the skilled workmen will be brought
from Zanesville.

Rookwood ware in the shape of nov-
elties, exclusively, will be manufac-
tured.

This Bill is Not Popular.

A bill has been introduced in the
North Carolina legislature to tax dogs
\$1 each for the benefit of schools and
protection to the sheep industry. But
the bill is not popular. The man with
the dog is a numerous and easily of-
fended citizen. The man with the
sheep has little influence in shaping
state legislation down there. The
sheep industry will remain a hazard-
ous undertaking, in which but few
farmers will enter. With useless dogs
legislated out of the state a great bus-
iness would be built up, but as it now
is the dogs "rule the roost."

THURSDAY, FEBRUARY 21, 1901.

Tomorrow being a legal holiday,
there will be no issue of the News
Review. All the news Saturday.

MARRIAGE VOWS.

Congressman Robert W. Tayler now
goes on record as a warm advocate for
the better enforcement of the laws
controlling the married state. Our Co-
lumbiana county representative at
Washington is evidently made of the
genuine stuff, representative of true
manhood.

DON'T OVERDO IT.

True unionists should see to it that
their organization does not become
dictatorial, overbearing or unjust.
Such a method of procedure is simply
suicidal and sure to result in disaster
to the cause of unionism. And such
should be the result. Might does not
necessarily constitute right; and the
so-called unionists who attempt to
browbeat and abuse an employer, are
simply guilty of that which is direct-
ly opposite to the principles controll-
ing true unionism. Fair play is a
jewel; and unless you play fair with
your employer, you are sure to come
to grief finally. The man or boy who
receives fair wages, and yet enacts
the part of a loafer, or playoff, is the
very opposite of a true unionist.

OUR HOSPITAL.

The project of "one day's wages for
the hospital," as proposed by a brainy
workman of the Knowles, Taylor &
Knowles pottery plant, is meeting with
general favor, as each contributor will
have a personal pride in the erection
of the hospital structure, and can
truthfully say: "I aided and assisted,
to the best of my ability, in the con-
summation of this admirable meas-
ure." And now, merchants, business
and professional men, swing into line
and work in concert with our me-
chanics and toilers. Unite in this com-
mon cause of humanity. Strike while
the iron is hot. A hospital is an actual
necessity, in which every humane
man, woman and child of East Liver-
pool should be deeply and vitally inter-
ested. Shove and push and propel the
good work.

A LITTLE BEAUTY.

The writer visited Sebring yester-
day and had the pleasure of inspect-
ing the handsome First M. E. church
of that place, just being finished, and
to be dedicated on Sunday next. It is
a perfect gem in architecture, and re-
flects full credit upon the architect.
The edifice possesses all modern con-
veniences, and is splendidly lighted by
means of electricity. The class rooms
are the embodiment of neatness and

good taste. Pastor Coursey is justly
proud of this handsome church edifice
and expresses the earnest hope that
much and lasting good may be accom-
plished within its walls. The rever-
end gentleman, in the presence of the
writer, every earnestly insisted that
Mr. Frank Sebring, one of the prime
movers in making the structure a pos-
sibility, shall make the presentation
speech at the dedicatory services to
ensue next Sabbath. Frank blushed
like unto a charming and bashful
sweet girl graduate of sweet sixteen;
and, in classic Greek, made response:
"Not any presentation speech on my
part, my dear pastor; not for a cool
million. Such little eloquencies are
entirely foreign to my line. Hit me
on the elucidation and charms of pot-
tery, and I'm your man; but when you
introduce church presentation speech-
es, send for the other fellow."

A POOR JUDGE.

A poor judge, indeed and in truth.
A man unfit to sit in judgment on any
subject demanding justice, equity and
equal rights. We have reference to the
so-called judge who put Mrs. Nation
behind prison walls. Had the govern-
or of Kansas performed his full duty
followed in turn by his subordinate
officers, including the so-called judge
designated above, and he followed in
turn by his subordinates, there would
have been no saloons or devil's joints
in blast, in open defiance of the laws
of the state, and Mrs. Nation, rendered
desperate alone by official lawlessness,
would have found no illegal dens to
make raid or assault upon. The legis-
lative body of Kansas, under the pres-
sure brought to bear upon it by a
conservative and clean minded citi-
zenship, pronounced the saloon and
liquor traffic to be a curse against the
best interests of the state or common-
wealth, and gave orders to the chief
executive of the commonwealth to see
to it that no joints or saloons should
operate in the state of Kansas, and
that chief executive failed to obey his
orders, which he had made oath that
he would enforce, and the consequence
has been that all of his subordinate
officers have winked at the damnable
saloon traffic and permitted the liquor
devils to run affairs according to their
ideas of morality and decency. Pity
that George Kilborn Nash could not
be in control there for a short time.

Cases from East Liverpool.

Lisbon, Feb. 21.—(Special.)—The
Goebel Brewing company of Detroit
wants judgment against D. A. Camp-
bell for \$397 60. A year ago Campbell
owed this amount to E. Ball, of Wheel-
ing, due for merchandise, and Ball
transferred his note to the plaintiff.
Elizabeth Geon, as executor of the
estate of Nicholas Geon, of East Liver-
pool, filed action in probate court
today and secured an order of private
sale for the west 55 feet of lot 110 in
East Liverpool. The property was ap-
praised at \$8,000.

In the case of Nancy E. Scott, ad-
ministrator, versus Mary Russ et al.,
the sale of property was confirmed
and deeds ordered made to Edward
Garman and Jesse Freshley.

Court News.

Lisbon, Feb. 21.—(Special.)—Hugh
C. McKenzie, who is trustee in bank-
ruptcy of Bullock & Ireys of Cleveland,
wants judgment against John A. No-
ble, of Wellsville, for \$197 95. Four
years ago the firm obtained judgment
in a Cleveland court for the amount,
but the claim was never satisfied.

S. J. Firestone, as the executor of
the estate of the late Abbie A. Nace
of Lisbon, is made defendant, and will
be required to set up the amount of
the legacy.

London, Feb. 21.—A dispatch to the

"The Chinese have yielded on the
question of punishments, and it is
announced that the demand of the
powers will be fully complied with.
The reply of the court has not yet
been communicated to the legations,
but it is known to have been received
by Prince Ching and Li Hung Chang,
and it will probably be communicated
tomorrow."

London, Feb. 21.—"At their latest
meeting," says the Peking correspond-
ent of The Morning Post, wiring yes-
terday, "the foreign envoys agreed to
a compromise. They propose to per-
mit the imperial court to commute the
sentences of decapitation in the
cases of Prince Tuan, Duke Lan and
General Tung Fu Hsiang, to life im-
prisonment and will agree to the fol-
lowing punishments:

Prince Chwang to be strangled, Yu
Hsien to be decapitated, Chao Shu
Chiao and Ying Nien to be permitted
to strangle themselves, and Chi Hsin
and Hsu Cheng Wu to be beheaded
in Peking. If the court advances no
new obstacle, the negotiations on the
first point of the demands of the pow-
ers may be considered closed."

Died When They Reached Her.

Ravenna, O., Feb. 21.—Mrs. Eliza-
beth Whiston, aged 83, was burned
to death at her home. She fell and
a lighted match struck the lace cur-
tains. Though her screams speedily
aroused other tenants of the house
she was dead when they reached her.

Stabbing in a Jail.

Cumberland, Md., Feb. 21.—Joseph

Dreyer, white, aged 20 years, in the

Heckman got his weapon is not
known. Dreyer is badly wounded.

TUCKER AND BRADLEY HAD A TWO-ROUND BOUT.

When it Was All Over the Restaurant Looked as Though a Cyclone Had Struck It.

Tucker's restaurant was the scene of a two-round bout day before yesterday, and as a result paper is used in place of glass in the front window today, and the proprietor is minus some chinaware, stove lids and various other articles which were used in the mixup.

The trouble started over the wife of "Bill" Bradley, of East Liverpool, who had been a regular visitor at the restaurant for some time past. Bradley came over after her on the day mentioned and she refused to accompany him home, saying that he was drunk, and that she did not like to ride with drunk people, but would come on the next car. He refused to leave without her and began to indulge in some profane language when Tucker threatened to put him out and Bradley went after him, smashing some china as he went. Tucker held him in the corner awhile and when he let him loose Bradley proceeded to smash some more china in true "Nation" style. A half-hour battle ensued, in which both parties lost most of their clothing. Bradley received the worst of the bout, and as his wife had already left, he followed suit, gently casting a club through the window as he went.

Bradley consulted a local magistrate before leaving East Liverpool and stated that he loved his wife and wanted to live with her, but that she went to Tucker's place every day, and that he could not stand that kind of thing. Under the circumstances the magistrate advised him to load up and go over and whip Tucker, and offered any assistance that he might be able to render. Bradley attempted to follow his advice.

Tucker states that the woman had no place to stay in Liverpool and that he allowed her to stay there through kindness.

Jake Hobbs for Mayor.

Speculation is rife as to who will be the mayor if Chester is incorporated, and several persons have suggested the name of Jake Hobbs as a candidate.

It is argued that Jake could hold court in his barber shop and save some of the heavy municipal expenses that would otherwise accrue.

ANOTHER VICTIM.

The Klondike Young Woman Pays Another Visit to the Pottery.

It seems when Tom Davis had his interview with the young woman at the Klondike pottery a few days ago, there were several others who took part in the argument.

It now develops that one John O'Malley, commonly known as Hoolighan, told the girl that in case Davis decided to spurn her advances, he would marry her.

Yesterday afternoon Miss Georgia again appeared at the pottery, and this time the object of her search was "Hoolighan."

She reminded him of his promise and said she had about given up hopes of capturing Davis, so she would do the next best thing and take him. If she fails in this, she states, she still has one more chance, as Jim Ward, of the same shop, has promised to do something for her.

CRUSADERS DECIDED TO WAIT.

Will First See Whether Officials Will Close Joints, at Winfield, Kan.

Winfield, Kan., Feb. 21.—The temperance people accepted a report of Mayor Albright and a committee of business men, who went through the buildings vacated by the jointists, that all had quit business, and issued a statement that hostilities would cease until it could be seen whether the mayor would keep the joints closed. By this act it is believed that serious trouble has been avoided, at least for the time being.

Large crowds gathered on the streets, waiting for "something to happen," and the marshal deputized several dozen men to keep order and prevent any attempt at saloon smashing. The people were dispersed without trouble.

Two jointists, who engaged in Saturday's tussle, were arrested and held on a charge of assault with intent to kill. The county attorney has demanded the assistance of the city officials in enforcing the law against liquor selling.

New York, Feb. 21.—Harry Smeltzer, 16 years old, who ran away from his home in Findlay, O., last November, was discharged by Judge Lent in White Plains. He is the son of well-to-do parents, and last night his uncle started back to Ohio with him.

LAKE CARRIERS MAY COMBINE.

Proposed Plan to Regulate Rates and Vessels.

Cleveland, Feb. 21.—A project was being discussed to the effect that vessel owners of the great lakes shall form three big pools, to include three different classes of boats. The first, those carrying tonnage from 5,000 to 9,000 tons and owned by the large industrial concerns; the second, vessels from 1,000 to 6,000 tons, owned by general bulk commodity carriers, and owned by large individual companies, and the third, the "small hookers" of 1,000 tons capacity or less. The purpose of the combination is to control and maintain rates.

If there should be more boats than freight, the number of boats can be reduced, thus insuring a fair carrying profit to the vessel owners. Vessel men state that under present conditions only about one season in three is profitable, and the plan under discussion would insure a fair dividend. The project is apt to be slow of formation, and will not be inaugurated for at least a year.

QUAY SENT MESSAGES.

Asked Followers in Pennsylvania House to Support "Ripper" Bill.

Harrisburg, Feb. 21.—Following is a copy of a telegram received Wednesday by the Quay Republican members of the house of representatives: Saint Lucie, Fla., Feb. 19.

"I sincerely trust you will stand by the Pittsburg charter bill, which is to come in the house tomorrow evening. The regular organization is committed to municipal reform and ballot reform at elections and primaries. Our failure to discharge our obligations will cost us all the fruits of our recent victory; will sacrifice in 1902 every close legislative district by strengthening those in our party who allied themselves with Democracy for our defeat in 1900, and may cost us the governorship. We will sink finally into merited infamy. I hope to see you soon."

(Signed.) "M. S. Quay."

WANTED—A furnished room, centrally located. Inquire at this office.

FOR SALE.

FOR SALE—Lot 45x120 and 6-room house on Sixth street; price \$5,000. Apply to J. P. Hanion, 315 Lincoln avenue.

The bill will come up in the house on Friday for first reading.

Representative Philbin, of Scranton, a Quay Republican, last night issued a statement, in which he declared his opposition to the so-called "ripper" bill, which provides a new charter for second class cities. His principal objection to the measure is the "ripper" clause, which, he says, is "simply an outgrowth of the recent bitterness in the Republican party."

BROWN'S ISLAND TO BE PURCHASED

A Number of Pittsburg Capitalists
Are Forming a Company
to Make A

FIRST CLASS SUMMER RESORT

Out of the Island Which Is Located
a Short Distance This Side
of Steubenville.

PLANS NOW BEING FORMED

A plan is now in course of formation that, in case it is carried to a successful termination, will mean much to East Liverpool and the river towns between this city and Steubenville.

A party of Pittsburg and New York capitalists are reported to have formed a company for the purpose of purchasing Brown's island. The present owners are said to be willing to sell, provided they can get their price, but what the figure is cannot be learned.

In the event that the deal is consummated the new concern propose building a large hotel, race track, summer cottages and will add other necessary features to transform the island into a first-class, up-to-date summer resort.

George Maxwell, of Steubenville, is interested in the deal, and is just now engaged in an effort to procure a franchise for an electric line to be run from Steubenville to Brown's island and thence to Toronto. To the present this terminus has been fixed in the plans as they stand at present, but it is the intention to ultimately extend the road to Wellsville to connect with the East Liverpool line.

If the plans do not miscarry, work upon the new improvements will be commenced in the early spring, and if successful will mean much to the towns along the river.

Miss Mary Cuppy, of New Cumberland, was very fortunate in finding her gold watch, which she lost Monday. In coming down the embankment of First street off the train, Monday, and going over to East Liverpool, she missed the watch, which had become detached from the chain. Miss Cuppy hurried back on the next car and found the time piece imbedded in the soft clay and none the worse for its experience.

Mr. L. H. Mans, 1801 Columbus Avenue, Bay City, Mich., by overwork and too assiduous attention to his business, brought on an attack of kidney trouble, which made it necessary for him to leave off working at times. He states: "On the recommendation of Mr. Geo. Leyer, druggist, of this place, I purchased a box of Dr. A. W. Chase's Kidney-Liver Pills for my kidney trouble. They acted so well in relieving my pain and backache that I persisted in the use of them until perfectly cured of my trouble. I am a well man now, thanks to the use of Dr. A. W. Chase's Kidney-Liver Pills."

PLENTY OF PROOF

From People You Know—From East
Liverpool Citizens.

The greatest skeptic can hardly fail to be convinced in the face of evidence like this. It is impossible to produce better proof of merit than the testimony of residents of East Liverpool of people who can be seen at any time. Read the following case of it:

Mr. P. J. Green, veterinary surgeon, says: "When attending a sick horse belonging to Mr. G. H. Gardiner, of 168 Jackson street, he remarked to me that the horse seemed to be in pain. I replied that I was the sicker of the two, as I could at that time scarcely straighten up with my back from lameness, weakness and severe pains. He asked me what my symptoms were and I explained to him that I had suffered for a number of years from my kidneys, that I had attacks at times when nothing helped me, and it was agony to get around, but that I could not endure idleness. The secretions from the kidneys were very high colored and acidous; that I had spells of dizziness when I could see black specks floating before my eyes and felt generally broken up. He looked up and said he had the very thing I needed to cure me in his house—Doan's Kidney Pills. He went into the house and brought me eight pills. I took them with me and I used them two at a dose. The effect was astonishing. I felt it almost at once, and went to the W. & W. pharmacy and bought a box and took them. The

encouragement held out to me by the first eight pills was not mythical, as by their continued use the improvement continued and I consider no expression of praise too strong for Doan's Kidney Pills, in short they are ne plus ultra."

Sold for 50 cents per box by all dealers. Foster-Milburn Co., Buffalo, N. Y., sole agents for the U. S. Remember the name, Doan's, and take no other.

A CLUE

Police Think They Will Get the Man Who Robbed David Ralston.

A clue to the robbers of Ralston's house, at Smith's Ferry, has at last been discovered, and it is stated that the authorities now know the name of the leader of the gang and will have him before the bar of justice in a very few days.

Officers Gill and Dawson, of this city, have been quietly at work on the case, and it is known that the man resides in this city.

A network of circumstantial evidence is being wound around the victim, and his arrest is a matter of a very short time.

CHILD DIED.

Little Daughter of Arthur Shinn Passed Away from the Effects of Burns Received a Few Days Ago.

The four-year-old daughter of Arthur Shinn died at the home in Smith's Ferry at 2:15 o'clock this morning. A message was received by Mrs. Shinn's mother, Mrs. Young, yesterday evening, stating that the child was very low, and she and her daughter, Mrs. William Finley, went to Smith's Ferry early this morning, but the child had died before they arrived.

Funeral services will be conducted tomorrow afternoon at 2 o'clock, interment being made in Riverview cemetery.

His Man Was Defeated.

Returned to East End.

E. H. Ward, who has been ill for the past week at his home in New Cumberland, returned to the East End yesterday.

Another Suggestion.

Following the plan adopted to increase the hospital fund, a business man of East End suggests that after the hospital is built each workingman and woman who makes more than 75 cents a day, should contribute five cents a pay toward the support of the institution.

He claims to have made a careful estimate of the amount which would thus accrue and says that it would fully support a first-class hospital. He suggests that every person thus contributing should be provided with a ticket entitling him to free hospital service.

Many people have expressed their willingness to give the day's wages, as requested, and it is thought that the matter will at last receive the attention it deserves.

TIRED OF THE DIVES.

Crusaders Were at Work In Tyler, W. Va.

FATAL FIRE CHARGED TO THEM.

Drugstore Destroyed—A Man Sleeping Above Store Perished—First Report Attributed It to Gas Explosion—Arrests Alleged—Story Needed Verification.

Sistersville, W. Va., Feb. 21.—Word was received from Stringtown, a small oil village in the interior of Tyler county, that a fire had started in a drug store and before the flames could be got under control several buildings had been consumed, and that John Glendenning had been burned to death. The report was verified later in the day, and the latest report from Stringtown is that two men have been arrested for arson and murder.

It appears that there had been a sort of Carrie Nation crusade in the oil village against the dives and speakeasies during about the past two weeks, and a warning had been given that unless the proprietor of the drug store over which Glendenning slept stopped selling liquor the place would be either burned or blown up.

The first report received here over the telephone was that the drug store had caught fire from a gas explosion, but later information is that after the fire was under control it was demonstrated that there had been no explosion, and it is now asserted that the fire was the work of persons who desired to rid the town of the alleged speakeasy.

R. H. Glendenning, of Sistersville, a brother of the dead man, went out, and was expected back last midnight with the remains, when, it was thought, the story of the arrest of the two men for arson and murder might be verified.

Wheeling, Feb. 21.—About 1 a. m. a telephone message from Sistersville stated that four men are under arrest at Stringtown, charged with arson and the murder of Glendenning.

MRS. NATION: "YOUR DISHONOR."

Kansas Crusader So Addressed Judge, In Speaking to Him.

Topeka, Kan., Feb. 21.—Judge Hazen, of the district court, continued the case of Mrs. Carrie Nation, charged with smashing Murphy's joint, until the April term of court. The cases against Eva Hardin, Mrs. Rose Crist, Miss Madeline Southard, Mrs. C. C. Chadwick and C. H. McDowell were also continued. He announced that Balf Stark would be tried Monday morning.

Mrs. Nation arose several times to address the court, each time calling the judge "your dishonor."

Balf Stark is a young clerk, who accompanied the crusaders and assisted in the raids Sunday. Mr. Stark's lawyer requested that his client's case also go over for this term.

"I would prefer to try a man on this charge rather than a woman," said Judge Hazen.

"You may call a special venire if you wish, and I think it will be necessary. I expect to try only this one case."

Miss Madeline Southard and Mrs. Rose Crist, who have been with Mrs. Nation in the county jail, gave bond for \$500 each and were released. Mrs. Nation and the others were returned to jail. The indications are that there will be a legal battle over the trials. The attorneys for the defendants will insist that they be granted a change of venue on account of the alleged prejudice of Judge Hazen.
